CONFIDENTIAL

DIARY NO. 20703.

Office of the Inspr-Genl of Police in Mysore,

No. 8513/626 Dated Bangalore, 2nd June 1919.

From

A. Subrahmanya Iyer, Esqr., B.A.,

Offg. Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer, Esqr., B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore

Sir,

In enclosing a copy of a confidential D. O. letter to me from the First Assistant to the Hon'ble the Resident in Mysore and of its enclosure about Pathans working in the mines near Tiptur, I have the honour to state that the Superintendents of Police, Tumkur and Hassan Districts were asked to visit the mines and see if there were any Pathans there and report the matter to me on Saturday last when I returned to Bangalore from Kadur. ~~Both~~ The Superintendents met me at Arsikere and Tiptur and reported that the Pathans left their Districts about a month or two ago in search of work near Benkipur, Tadasa and Chikkajur and that there are no Pathans now in the mines in the Tumkur and Hassan Districts. I have written to the Superintendents of Shimoga, Kadur and Chitaldrug Districts about the Pathans who are reported to have gone to those Districts.

2. The Superintendent of Police, Hassan, reported also that three Pathan gentlemen settled in Hassan Town some years ago and that they are following peaceful occupation and are well behaved.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Inspector General of Police.

Confidential (4)

D. O. No.137 dated the 24th May 1919, from the First Assistant to the Hon'ble the Resident in Mysore, to the Inspector General of Police in Mysore.

In forwarding to you a copy of a letter dated the 15th May 1919, from Mr. C.S.Fawcett, Analytical Chemist and Assayer, Laboratory Office, Bangalore, to the address of Capt. Harrop, Adjutant, 6th Bangalore C and M Battalion I.D.F., regarding a party of Afghans said to be working at some mines near Tiptur, I am to say that, in view of the present disturbed state of the frontier and of Afghanistan, Mr. Cobb considers it desirable that the contents of the letter should be brought to your notice, for any action you may consider advisable.

Letter dated the 15th May 1919, from C. S. Fawcett, Esqr., to Capt. Harrop, Adjutant, 6th Bangalore C and M Battalion, I.D.F.

During March last I had a small gang of Pathans working on the mines near Banasandra, and as we could'nt agree I had to hoof them out.

They stated they were Afghans and part of a large gang working at some chrome mines near Tiptur - a station about 90 miles down the Bangalore -Poona section. So far as I know they are still in this vicinity; and I thought that as we are having trouble with Afghanistan it might be advisable to inform the Brigade office of the matter. If you agree with me, please kindly pass the information on.
